Mrs. Fammatre Free On Plea Of Self-Defense

Mrs. Dorothy Fammatre, 36, of 98 New Jersey Avenue, Campbell, was absolved of blame in the slaying of her husband, James Joseph Fammatre, 40, by the County Grand Jury on Monday afternoon. In special session the Grand Jury moved to sustain Mrs. Fammatre's claim that she shot her husband in self defense.

Mrs. Fammatre, two Campbell ranchers and two deputy sheriffs testified before the jury. The former stated that her rancher husband had become abusive on Saturday, November 19, the day of the shooting, when she stopped him from telephoning another woman. Fammatre had been drinking, she said, and he chased her with a paring knife. She stated she had escaped him, grabbed a .22 rifle, loaded it with two bullets, then fired one shot to frighten him. When he came at her with knife in hand, she shot again, she related.

WAS ABUSIVE

The ranchers, Oscar Clark and A. Dallas, both of Route 2, Box 219 Hazel Avenue, told Grand Jurors that Fammatre was extremely abusive to women when he had been drinking. Deputies Elton Heck and Dan Pasetta testified they investigated the shooting and found no evidence that Mrs. Fammatre had been drinking on the day of the shooting.

Mrs. Fammatre has waived her rights to file petition to administer the \$8000 estate of her late husband, and such petition has been filed by Fammatre's first wife, Mrs. Theresa Josephine Fammatre of Castroville. She was nominated by Mrs. Dorothy Fammatre.

The estate will be divided between the second Mrs. Fammatre and the dead man's daughter by his first marriage, Joan F. Fammatre of Castroville. Attorney Charles Ricketts represents the heirs.

Yule Baskets, Patrol Donation At JC Meet

Plans for their whist party to be held December 10 at Campbell Union High School were discussed by Campbell Junior Chamber of Commerce members Wednesday night at their meeting. The group session was held in the Lloyd building. Purpose of the whist party is to raise funds for Christmas baskets for needy families. It will be held at 7:30 p.m. in the high school gymnasium. There will be free coffee and cake and other special events.

Arrangements were also made for the Jaycees to sponsor a children's matinee at the Campbell Theater on Tuesday, December 20 at 2 p.m. Admission will be one can of food, and these contributions will be added to the Christmas baskets.

During the meeting Jaycees voted a donation of \$10 for the Campbell Legion patrol, to be used for the new patrol's uniform fund. This was the first such donation to be reported from any local organization, and it is expected that other Campbell groups will join the Jaycees in giving voluntary support funds for the patrol which provides its own uniforms, equipment, gas, cars, sidearms and other materials.

Box Supper, Dance, Movies For San Tomas Families

A family box supper will be held Friday, December 9 at the San Tomas School cafeteria, beginning at 6:30 p.m. All families in the community are invited to attend and bring enough food for their own family, plus a special box lunch to be auctioned off. There will be fun for all, and proceeds will go toward improvement of the school. The San Tomas PTA is sponsoring the gathering as part of its year's project to work for betterment of the school. Coffee will be served by the PTA.

After the supper, there will be an orchestra to provide music for dancing, and there will be movies for the children. Both dancing and movies will be free.

Next week Campbell High School music groups will provide a musical program. Frank Triena will be the conductor.

Chairman Gabrielson Polls Nation On Restatement of Republican Principles

Guy George Gabrielson, Chairman of the Republican National Committee, has asked for a nation-wide expression of opinion with respect to a possible restatement of Republican principles in advance of the 1950 Congressional campaign. He is seeking the views of those with no official position in the party as well as the office holders and those holding official positions in the party organization.

India Experiences Told Kiwanians By Dr. Johannes

India, a country three-fifths the size of the United States with several times the U.S. population, is a land of contrasts. Dr. J. C. Johannes told Kiwanians Tuesday noon at their regular luncheon meeting. India is a land of minerals and peoples, of high and low castes, with the richest and the poorest people, the highly educated and the ignorant, continued the doctor who spent 14 years in India as a medical missionary.

Two hundred and seventy million Hindus inhabit India. They are idol worshippers whose thousands of temples are scattered throughout the country, each with its special customs and rituals which the visitor is expected to observe.

Besides Hinduism, the speaker said, the other group most prominent in India are the Mohammedans. Mohammedanism has 90 million followers who believe Mohammed is the direct representative of the Deity.

Five other castes prominent in India are the Brahmins, Warriors, Merchants, servants and the untouchables. Besides these main castes, they are again divided into many sub-castes.

Civilization in India dates back to 4000 B.C., Dr. Johannes revealed, and remains relatively the same today in many places.

Many personal experiences with the natives, through his work at his hospital, were related by the speaker who told of the native ignorance, prejudices and practices. He spoke briefly on the Mahatma's campaign to "quiet India" and the eventual results now known to the world.

Herbert Shadle was chairman of the day and introduced the speaker.

Next week Campbell High School music groups will provide a musical program. Frank Triena will be the conductor.

A letter written by Gabrielson to all Republican governors, State Chairmen and vice-chairmen, county chairmen and vice-chairmen and members of the Republican National Committee asks two questions:

- (1) Should there be a restatement of party principles at this time, and
- (2) If so, what should the restatement contain?

Gabrielson acted pursuant to a resolution adopted by the National Committee at its meeting in Washington, August 4, 1948, authorizing appointment of a special committee, including Republican Senators and members of the House, to consider drafting a statement of party principles.

In the letter sent out to Party leaders, Gabrielson declared that, "the over all objective is to obtain expressions of opinion resting on the broadest base possible." He suggested that state chairmen and county chairmen might wish to call special meetings of their respective committees to consider recommendations. He asked that all recommendations be submitted to National Headquarters by December 21st, if possible, and in any event prior to the convening of the next session of Congress in January.

The recommendations will be submitted to the special committee authorized by the August 4 resolution of the National Committee, which special committee, Gabrielson said, will be appointed in the very near future.

SJ Court Denies Robba Restaurant Receiver Petition

Mrs. Mathilda Robba's petition for appointment of a receiver to dispose of Ferranti's restaurant in Los Gatos was denied by the court Wednesday when Superior Judge Leonard Avila held in an opinion that Frank Ferranti has not shown unreasonable delay in winding up a partnership interest in the restaurant.

Mrs. Robba, Campbell, claimed Ferranti has been slow in his efforts to dispose of the business and wind up the estate of her mother, Mrs. Pia Pellegrino, who died March 26, 1948, and owned a half-interest in the business.

Avila added that Mrs. Robba may again petition if Ferranti shows unreasonable delay.

HOUSING SHORTAGE FACES NAVY

J. L. Gresham of Saratoga has been named permanent chairman of an area-wide committee to assist in finding housing for more than 500 Navy men with families who are to arrive this month in this area. The men are assigned to two Navy units being transferred to Moffett Field from Maryland and San Diego. They are a

J. M. Dahl, Campbell Chamber of Commerce president, announced today that "The Campbell Chamber of Commerce will cooperate 100 percent with the Navy and the committee to help relieve this housing shortage. People who have homes or apartments available may notify this office, Campbell 3322, and we will contact Moffett Field authorities."

VR-3 group of 900 men from Patuxent River, Maryland, and a VC-3 group from San Diego. The latter will need 75 living units, the former 463.

Representatives from valley communities are serving on the committee with Gresham. Those from Campbell are Lew Griffiths

of Pocatong, received three plasma transfusions and eight blood transfusions during an illness this fall. The blood and plasma were supplied by the Regional Blood Center at San Jose, headquarters for banking blood donations received in various valley communities.

"There was no charge for the blood and plasma, and, incidentally, I have a rare type of blood," Mrs. Parker emphasized. "I definitely believe in the blood donation program and believe I owe my life to those blood donations as well as to my doctors' excellent care," she stated.

This is the evidence which most newspapers are seeking to provide their readers in supporting blood bank programs and urging greater turnouts of volunteer donors during visits of the mobile blood collection units to their communities.

J. F. Levenberg, Campbell Blood Program chairman, has urged all eligible donors to remember that blood donations are a daily means of saving lives, they are not just for national and serious area emergencies. Each day someone lives who may have died were it not for those volunteer blood donations.

LOCAL VISIT

The mobile unit will make its visit to Campbell on Wednesday, December 14, from 10 a.m. to 2 p.m. The collection center will be the Methodist Church Parish House. At least 75 donors are needed. The donation is painless and takes only a short time away from work. Appointments may be made by calling Levenberg at Campbell 2555 or Mrs. Ethan Lanphear, Campbell 3655. If you forget to make an appointment, plan to be on hand and give on December 14, Levenberg added.

The local chairman issued a public appeal to every club and organization in Campbell to name its own blood program chairman. These chairmen are asked to sign up members of their organizations as prospective donors and to contact either Mrs. Lanphear or Levenberg for appointments. Club blood donation chairmen are asked to leave their names with Mrs. Lanphear for her information.

This is one Christmas gift you can make to yourself, your family and your community, said Levenberg. Donors should be between 21 and 60 years of age. Anyone between 18 and 21, unless married, must have parent's consent. Minimum weight for donors is 110 lbs.

Donors must not eat for four hours prior to donating blood, except black coffee or fruit juices. Donors should not give more than four times yearly. All blood types will be taken. Highest medical standards safeguard both the donor and the recipient at the blood collection center.

Whipple Chester Talks To Rotary On Philately

Whipple Y. Chester, San Jose newspaper advertising man, gave a talk on philately and philatelists at the Campbell Rotary Club meeting Tuesday noon.

Chester, who is rated an authority on cover collections and hand-painted cancelled postcards from oddly named towns, was introduced by Harry Redicker, chairman of the day. He told Rotarians that the rarest stamp in the world is a one-cent British Guiana, which has been sold at prices from \$37,000 to 47,000.

Stamp collecting began, he said, when the first stamp was issued. This was a one-penny British black of May 7, 1840. The hobby has a vast following whose members follow stamp collecting news in the many philatelic magazines.

Some collectors specialize in certain fields of postal collections, such as 1st-day covers, and covers from unusual and remote places.

Chester's specialty is painting of postcards for such places as Zero, Montana. He paints the card to suit the name of the town, then sends it to the postmaster there for cancellation and signature. When the F. D. Roosevelt collection was auctioned for \$212,000, several of Chester's postcards were listed in the collection.

During the meeting, members discussed plans for a Ladies' Night which may be held in conjunction with a neighboring club.

Grange Dinner Ticket Sales Successful

Wesley Youngclaus, chairman of the ham dinner committee of Orchard City Grange announces that the sale of tickets has been much greater than anticipated and that all Grangers desiring to attend this function of the Grange should contact Worthy Master Martin S. Walsh, 300 North Harrison Avenue, or by calling Campbell 3478 before December 9.

California Highway Patrolman Ed Lee testified he arrested the youth Sunday on Almaden Road when Anderson nearly struck the officer's patrol car. Lee said Anderson was driving on the wrong side of the road.

In making their report on the activities of the Campbell Legion Patrol for the month of November, its officers reported a total of 273 man hours served by patrol members, 1093 miles covered by patrol cars. Its members served on traffic control for three hours.

No arrests were reported, but a .380 caliber fully loaded automatic pistol was taken from a suspect and turned over to the sheriff's office for checking. Forty-two motorists were warned by Legion Patrolmen.

Patrolmen found San Tomas School windows open one night, and reported this. A boy's bicycle, reported stolen by Mrs. Tom Kelley, 31 Casey Road, was recovered in less than an hour.

Last Sunday, patrolmen were faced with a unique problem and they still have it. Warren Price and Tom Boyle apprehended a dog suspected of illegal possession of a fur neckpiece. The spotted canine was released by the two patrolmen after relinquishing the fur. Patrolmen, left holding the fur, request that owner call Campbell 4044 or 4084 and claim same.

The CAMPBELL Register

ELVA RUTH SOPER, Campbell High School graduate, is now attending the University of Southern California where she is a member of the freshman class.

Entertaining at a pre-Thanksgiving luncheon, Mrs. M. W. BAILEY honored MISS MARY V. HENDRICKSON of Portland, Oregon. Miss Hendrickson has been visiting her brother and sister-in-law, Sgt. and Mrs. W. E. Hendrickson, of Santa Clara. Present for luncheon were Mesdames Bertam Leo, Eva Taylor, Stella M. Dorrance, W. E. Hendrickson, the guest of honor, Miss Hendrickson, and the hostess.

MR. AND MRS. J. H. BACHMAN spent Thanksgiving with their son and his family at Lodi.

Entertaining Thanksgiving morning for a two weeks vacation, was Mrs. M. W. Bailey's mother, Mrs. STELLA M. DORRANCE. Mrs. Dorrance was spending a week in New Orleans, a guest at the St. Charles Hotel and from there she was flying to Miami, Florida, where she was to meet Mrs. Alma West of San Jose.

MR. AND MRS. J. N. KREIDER and their three children are new arrivals at 61 Carolyn Avenue. They came to California from Newark, Ohio, last September, and established residence in Sunnyvale. The Kreiders moved here November 15. Mr. Kreider is with the Owens-Corning Fibreglass Corporation in Santa Clara. His wife is a member of Beta Sigma Phi sorority. Their children are John, 9, Barbara, 7, and Kathy, 5.

JOHN R. LYNDEN, 590 S. San Jose-Los Gatos Road, was awarded a 50-year gold membership button in the Masonic Order at ceremonies in behalf of the Grand Lodge of Masons of the State of California. Mr. Lynden received his third degree in Pacific Lodge 136, San Francisco, in September 1899. He and his family moved from San Francisco to Burlingame in 1912, and Mr. Lynden transferred to Burlingame Lodge 400 in 1913. He was a member of that lodge until 1940, when he transferred to Charity Lodge of Campbell. The master Mason is also a member of San Francisco Chapter One, Royal Arch Masons which he joined in 1903. KIWANIS INTERNATIONAL WINS AMERICANISM MEDAL AWARD

During impressive ceremonies at Valley Forge, Pennsylvania, November 21, General Dwight D. Eisenhower presented Kiwanis International with a most honored medal award and a check for \$1500 on behalf of Freedoms Foundation Inc. Freedoms Foundation is designed as a vehicle to provide annual cash awards for American citizens and organizations that perform the most outstanding job each year in bringing about a better understanding of our American Way of Life. J. Belmont Mosser, Immediate Past President of Kiwanis International, accepted the award for his organization.

Kiwanis International won the award for developing and successfully promoting the "IT'S FUN TO LIVE IN AMERICA" program, a series of four-page pamphlets devoted to the basic principles of our American Way of Life. Designed to combat communism, socialism, and other un-American ideologies, the first pamphlet was issued in January, 1948. The pamphlets, in plain, simple language, set forth the common, everyday advantages that we Americans enjoy under our system of government.

A new issue of "It's Fun To Live In America" has been published each month since January, 1948. Distribution now totals over 27,000,000 copies. Business and professional men are utilizing the pamphlets as inserts in payroll envelopes, statements, laundry bundles, grocery packages, and in many other ways. Thousands are being distributed each month to school children.

The current "It's Fun to Live In America" pamphlet condemns waste in federal spending and appeals to elected representatives to support the recommendations of the Hoover Commission report.

Cross Country Ends Saturday

Coach Walt Bealey's San Jose State cross country closes its season Saturday participating in the first California Poly Cross Country run at San Luis Obispo.

Undeclared in dual meets, the Spartans were expected to make a strong bid for the team title, but illness of co-captain Dore Purdy will keep the Spartan distance ace at home.

With Purdy out, the Spartans will probably have to fight Cal Poly for a place behind Southern California and UCLA. Co-Captain Marion Day will lead the Spartans, with his strongest support coming from Jim Lund, former Washington prep champ; Jim Simpson, Norm Botello, Al Weber and his brother, Bob Weber.

Tasty Holiday Menus

Raisins are a boon to homemakers who want to add a little extra "something" to their cooking without going to great expense. Raisins dress up plain breads and will make your family smack lips over coffee cakes, cookies, muffins, scones, puddings and many other dishes. It is fortunate that they contain iron and other essential food values that make them "good for you" as well as good to eat.

When raisins are to be added to batters or doughs, pour hot water over them and then drain. They will be softened while other ingredients are assembled and mixed.

These Chocolate Raisin Drops are what children like to find in the cookie jar when they come home from school. They are easy to make and the raisins keep them moist and fresh for a long time.

CHOCOLATE RAISIN DROPS

- 1 cup seedless raisins
- 2 (1 ounce) squares unsweetened chocolate
- 1/2 cup butter or margarine
- 1 cup granulated sugar
- 2 eggs
- 1/2 cup sifted all-purpose flour
- 1/2 teaspoon salt
- 1/2 teaspoon soda
- 1 teaspoon vanilla extract
- 1 1/4 cups quick-cooking oats

Rinse and drain raisins. Melt chocolate over hot water. Cream butter or margarine and sugar thoroughly. Blend in beaten eggs and melted chocolate. Sift together flour, salt, and soda and add to chocolate mixture. Stir in raisins, flouring, and oats. Drop from teaspoon onto greased cookie sheet. Bake in oven preheated to 375° F. for 13 to 15 minutes. Makes about 2 1/2 dozen medium-sized cookies.

Here's a recipe for a quickly made raisin nut bread which is

bound to make a hit for lunch box meals or between meal snacks.

RAISIN NUT BREAD

- 2 1/4 cups sifted all-purpose flour
- 3 teaspoons baking powder
- 1/2 teaspoon salt
- 1/2 cup sugar
- 1/2 cup chopped nuts
- 1 cup raisins
- 1 cup milk
- 1 egg
- 3 tablespoons melted shortening

Sift the first four ingredients together. Add nuts and raisins. Combine milk, beaten egg, and shortening. Add liquid ingredients to the dry, mixing only until flour is moistened. Pour batter into a greased loaf pan. Bake in oven preheated to 350° F. for one hour. (Sandwich breads slice and taste best the day after they are baked.)

Here's a sundae-sort of dessert that will make you forget all about calorie counting:

RAISIN BANANA WHIP

- 3/4 cup seedless raisins
- 3 medium-sized bananas
- 1 cup whipping cream
- 3 tablespoons granulated sugar
- 1 teaspoon vanilla extract
- Few grains salt
- 1/2 cup chopped unblanched almonds

Pour boiling water over raisins and let stand 5 minutes; drain and chop. Slice bananas. Whip cream until stiff and blend in sugar, salt, vanilla, raisins, bananas, and almonds. Chill thoroughly, but do not freeze. Serve with warm chocolate sauce. Serves 6.

BARBECUED WILD DUCK

- Duck—split in half
- 4 teaspoons lemon juice
- 1 teaspoon Worcestershire sauce
- 1 tablespoon butter
- 1 teaspoon tomato catsup

Make sauce by mixing all ingredients. Place duck, split side up, on broiler rack and place in oven, allowing five inches of space between source of heat and surface of duck. Broil one side, then the other until well browned, basting every few minutes with barbecue sauce. Season with salt and pepper and serve.

Freezing enables you to preserve wild duck for future meals. However, game laws do restrict the period for which it may be held in the freezer to ninety days after the end of the season.

Preparation for Freezing is the same as for domestic poultry. Dress, wash, and cook thoroughly. The duck may be packed whole or cut into pieces. Place in cellophane-lined boxes or wrap in moisture-vapor-proof paper. Be sure to wrap tightly to exclude all air. Cover package with stockinet to guard against tearing. Label to show weight and date and freeze immediately.

WILD RICE STUFFING

Wash one cup rice, cover with boiling water, and set aside to soak for several hours. Drain off excess water. Sauté a minced onion in butter or bacon drippings until soft. Mix with soaked rice, add salt and pepper to taste. Stuff lightly into bird. Roast according to instructions for well-done duck given above.

FINE STOCK OF CHRISTMAS TREES AT SCOUT LOT

Senior Scout Post II of Campbell will sell Christmas trees again this year. Their lot is located at the corner of Rincon and Winchester Avenues, where the stock provides an even finer selection than last year of silver tip, silver fir and other varieties.

The sales will begin this evening and will be open thereafter daily from 10 a.m. to 10 p.m.

Last year the tree supply of the Post was sold out a week before Christmas. The Senior Scouts have expressed their thanks for the wonderful response last year, and feel that their stock will be even more pleasing this season. Trees will be moderately priced, as before.

Later, probably on December 10, the Post will play Christmas carol recordings over an amplifier system at the lot for the benefit of customers and residents.

Four-County Blood Bank Group Told Of Developments

Pacific Area and regional leaders of the blood program, both Red Cross and medical men, were featured at a four-county dinner meeting held Wednesday evening

Dr. Carnegie

in the Red Cross chapter house, 440 North First Street, San Jose. J. F. Levenberg, Campbell Blood Program chairman; Mrs. Ethan Lanphear and Dr. J. Frederick Snyder attended from Campbell.

Latest developments of the San Jose regional program, which covers Santa Clara, San Benito, Santa Cruz and Monterey counties, were reviewed by the regional coordinating council, which smooths out the problems of this project serving 360,000 people.

This program is dedicated to supplying blood at all times to all persons needing it in the area, and because Red Cross is a co-sponsor, the blood is supplied without charge as a public service.

Notables present included Dr. W. Max Chapman, director, and Carl F. Belliston, assistant director, of the program for Pacific area; Dr. Robert Evans, associate professor of medicine, Stanford University Medical School and medical consultant for the national blood program, and Dr. R. Stanley Kneeshaw, president of the California Medical Association.

Some 50 persons of the four-county area attended. Delegates from outlying communities were welcomed by Dr. Paul V. Morth, chairman of the Santa Clara Valley Blood Center board, Edwin H. Livingston, San Jose Red Cross chapter chairman, and Alistair R. Anderson, San Jose chapter manager and director of the blood center.

Dale Carnegie

"HOW TO WIN FRIENDS and INFLUENCE PEOPLE"

TAKE A LESSON FROM LARRY

HERE'S a story of a man who took part in a contest with 22 rivals.

When Larry Adler was a boy in Baltimore he loved to push air through a harmonica. No one else in his family played one, but Larry played until he almost drove his family into the snake pit.

D. Carnegie

In 1927 he read in a Baltimore newspaper that the paper would sponsor a harmonica contest. Larry's eyes grew as big as flying saucers.

He had been selling magazine subscriptions, so he took three dollars of his savings and bought himself a new mouth-organ. It would do tricks that his old one couldn't manage.

Now he began practicing against the day of the contest; his family suffered; so did the neighbors.

At last the Big Night! Practically all of Baltimore was present! The judges were impressive, one being the music critic of the paper, another the head of the Peabody Music Institute, which was the last word—the very last comma—in music in Baltimore. The third was the conductor of the Baltimore Symphony orchestra. The Matterhorns of music.

The other contestants poured in, 23 in all, loaded, cocked and primed. Depressing! Some of them played exceedingly well, as well as Larry—maybe better—and Larry got lower and lower in his mind.

Larry noticed that all of them played jazz. For that matter, jazz was all Larry had planned in his repertoire. He said to himself, "I'm going to be different. At least, that will attract attention."

The only classical piece he could remember was Beethoven's Minuet in G. He had only his memory to depend upon, and his memory was as full of holes as a Swiss cheese. But he tore into it, did the best he could. Not very hopefully, for he knew he was bad, but he also knew he was doing something different. After all, there was a sameness to the selection of the other contestants, no one outstanding, no one too easy to recall.

When the judges returned from deliberation, they announced Larry was the winner. He was the only one who played a classical selection, and he was the only outstanding contestant.

Hard Top Finals At SJ Speedway This Sunday

Auto racing makes its last appearance of the year at the San Jose Speedway this Sunday afternoon with the Hard Tops scheduled to get in their final licks beginning at 2:15.

Some sixty member-drivers of the California Stock Car Racing Association will be on hand for the nine-event finale.

It seems only fitting that the Hard Tops should be offered the honor of ushering out the racing year. The CSCRA is still a youthful organization, having made its debut only last August. But its comparatively brief season saw it revolutionize professional automobile racing at the San Jose racing park and tracks in other cities in which it roared.

The Hard Tops have offered a distinctly new type of racing. Erratic, zany, and uproarious they may be, but fans at the San Jose Speedway have loved 'em. Speedway promoters Joe Mastrini and Ray Leon have developed quite an affection for them, too, especially since they produced a healthy shot in the arm for the gate.

Undoubtedly the Hard Tops' biggest attraction has been their ability to get into the goshawfullest tangles on the track, with an amazingly few number of injuries to the drivers.

Here, Ebenezer; Where's Ebenezer?

Has anyone seen Ebenezer? She will probably be alone when you see her. Ebenezer is a female skunk—deodorized—the pet of Ray McVea, Campbell Post Office carrier.

Ebenezer wandered away Thursday night and hasn't been seen since. McVea is offering a reward for her return. He has become quite fond of the skunk since one of the women on his route gave him Ebenezer several months ago when the resident moved away.

McVea has learned that when he takes Ebenezer with him on a leash to the beach or the great city, the beach and the sidewalk are his alone. People suspect Ebenezer of—but she's deodorized.

Very fussy, too, eats just about what a cat does, but never touches commercially prepared dog and cat food. Loves chicken.

Finder will please call the Campbell Press, Campbell 3442, and they'll contact McVea.

W6QUD Launches Repair Service

Franklin E. Firth has opened his own radio and appliance service at 756 Lovell Avenue. Firth Radio and Appliance Service will also handle TV repairs.

Mr. Firth, who has operated his own service in Accordia this year, will now conduct his business from his home where a 52-foot radio tower is both a landmark and a necessary feature of a home in which both husband and wife are amateur radio operators.

Call letters for Mr. Firth's station are W6QUD, while his wife operates on W6TCW. The Firths have made their home at that location for nearly two years, and both have been active amateur station operators for years. Mr. Firth was a radio engineer at Hickam Field, Honolulu, during the war.

Holds Its First Meeting

Seven members were present at the first meeting of the new Beverly-Burbank Business and Professional Women's Club last night at the Burbank School. Mrs. Gwendolyn Steindorf, president of the Campbell BPWC which is sponsoring the new club, led the meeting. Doris Ferguson was named temporary chairman.

Next meeting of the group will be Tuesday, January 10, at the home of Mrs. Minnie Caputo, 2711 Moorpark Avenue. Business and professional women of the Beverly-Burbank district, who are interested in joining the group, are asked to contact Miss Ferguson at 546 S. Bascom Avenue, or phone CY 2-5373.

Mrs. Steindorf and the Campbell BPWC membership chairman, Mrs. Mae Greaves, will be present at the January 10 meeting. A special guest will be Anita Mason, Bay District president-elect.

Convention News Reported For Cupertino Grange

Cupertino Grange No. 739 had a lively and interesting session Friday, with Master Dwight F. Sheffer presiding. Martin Walsh, Master of Orchard City Grange, was escorted to a place of honor and other visitors were Diana Hogevoil of East Palo Alto and Richard Davis of Mountain View Grange. Bro. Sheffer gave a report on the State and National Grange Conventions at Sacramento. 21 members of Cupertino Grange were among the 4500 who took the seventh degree on Friday, November 18. Most of them remained for the Santa Clara County Grangers' dinner.

It was reported that Two Rock Grange in Sonoma County won first prize in the sales slip contest and Cupertino finished in 14th place ahead of all Santa Clara Granges. The Santa Clara County Pomona Drill Team gave an exhibition drill for the fifth degree class at the state convention. Florence Sheffer reported on the state lecturer's program, the state Home Economics conference and the Home Economics breakfast.

John Breeding and Vince Garrod Jr., reported on conservation, especially on the Black Mountain Soil Conservation District which they want to extend into the valley. Ruth Blair announced that the Home Economics Club will meet at Jane Garrod's home on Mt. Eden Road Tuesday, December 6. Principal business on the agenda will be the election of officers for 1950. Election of officers will also be the main business at the next grange meeting, Friday, December 9.

FOOD SALE
It was announced that a food sale would be held in the IOOF Hall by the Cupertino Rebecca and Past Noble Grands from 10 a.m. to 6 p.m., Saturday, December 3. The Christmas program planned for Sunday, December 18, was postponed until Friday night, December 23, before the regular meeting.

Sister Sheffer read a letter from Mrs. Hart Tantau, chairman of the Community Chest drive in the Cupertino area, thanking them for helping in the Cupertino school Parent-Teacher Association Halloween carnival.

Bro. Walsh reported on the election of officers in Orchard City Grange and stated that he was re-elected as master for 1950. Bro. Davis and Sister Hogevoil, the other visitors, complimented the grange for its growth and progressive spirit. It was announced that the Santa Clara County Grangers Credit Union will meet at the home of Almaden Master Frank Carey, 2069 Radio Avenue, Thursday, December 8. The famous Orchestral will have a rehearsal at the Sheffer residence, Wednesday, November 30, to prepare for coming events.

After the meeting was adjourned, Bro. Walsh sold a number of tickets to the Orchard City Grange ham dinner scheduled for Tuesday, December 13. Refreshments were served by the committee composed of Marvin and Ruth Blair, Wilford and Jessie Lund and Grace W. Wallin.

Hearing Tests Given Pupils

Of 237 Cupertino Union School pupils given hearing tests during October, 207 showed average hearing, the county schools' audiometrist Eugenia R. Sorenson reported. Thirty children showed hearing losses and were referred to the Public Health Nurse.

In other school tests during October, 106 Fremont Union High School students were tested, 96 showed average hearing and 10 showed hearing losses and were referred; one Saratoga Grammar School pupil was tested and referred; one from Moreland school was referred.

Five Cambrian School pupils were tested, two showed average hearing and three who showed hearing losses were referred.

THIS CALIFORNIA

A Weekly Column By Lt.-Gov. Goodwin Knight

One of my deepest impressions as I travel to and fro across the State is that Californians are never quite contented. Contentment is the habitual state of satisfaction, and it precludes any possibilities of progress.

Nations that become content with things as they are soon cease to exist as nations. Communities that remain content very long soon find the world passing them. Contentment is a mental condition exemplified by cows. No cow is apt to set the world afire with notions about farm management.

Dissatisfaction with things as they are is necessary if conditions are to be bettered. To be contented in this world of madmen scrambling for power—is to die.

Farmers, mechanics, business

WRITE KNIGHT!
EDITOR'S NOTE: Lieutenant Governor Goodwin Knight, whose weekly column, "This California," is now a feature of this newspaper, is aware of the multitudinous programs, practices, acreage and price controls, designed to help California farmers. It has long been his belief, however, that any program that will really help the farmer must come from the farmers, themselves. Mr. Knight wants you to write him of your problems, no matter what they are. He wants you to be frank about the things that are making the growing of crops so expensive that the average farmer is fortunate if he breaks even. With the knowledge gained from your letters, he hopes to be able to help design a program that will give California farmers back their independence. Tell him your worries—every one of them. Write Knight-Right Now! Your names will be kept confidential. Write Knight, care of this newspaper.

Traveling through farming areas, and visiting the smaller towns of our great State, I realize more and more that we are blessed beyond most peoples. Agriculturally, we stand out above every other state in the nation. Our farmers and orchardists are the most prosperous, and as a whole, enjoy a higher standard of living than any agriculturists in the world.

FARMERS ARE PROUD
Yet, in California, growers are not content. They are continually striving for better crops, larger crops; constantly working to improve their soils—to keep their soils alive.

California farmers are restless, always looking ahead — always eager to try something new; to attempt the untried. Our farmers are a proud race. The pioneer spirit is alive among us, and we refuse to sell out our birthright as hard-swinging, hard-riding, hard-headed producers of basic commodities. California farmers accept little from the government in crop subsidies.

Things are good within the farm belt . . . but the farmers are not content. They have done well. They will do better. What is bad, they throw out. What is good, they keep. Theirs is the philosophy of achievement.

Who are our farmers? Our orchardists? Our vineyardists? Visit the tens of thousands of large, well-kept farm homes of California. View the well-tilled fields, the laden vines and trees. Who owns them? Americans! English, Irish, Scotch, Italian, Swedish, Slavonian, Portuguese, German, Dutch, French, Spanish—Americans all. Each family with an agricultural background in the Old Country that sometimes goes back 1000 years.

Prosperous, happy in achievement, proud, confident of the future—but not content.

These are the backbone of our State.
